RECORD OF EVENTS.

The Regt has been in no special action or scouting service worthy of note. We have made the march with Gen Fremont from St Louis to Springfield, without pay or care. Rations and clothing are supplied with great irregularity, and the circumstances under which the Regt did a great deal of hard service are not creditable to the management of the Dept.

Post Hospital
Columbus Ky. Oct. 8th 1863

Capt. J. Hough
Asst Adjt Genl.

Sir

In compliance with Special Order No 238, Extract I. a Board of Medical Officers consisting of L. M. Stapley Surg. 14th Iowa Inft. & Senior Surg. present at Columbus Ky. Frank H. Tilly Surg 26th Ills. Post Surgn and A. Wyckoff A. A. Surg. U. S. A. met at the Post Hospital Sept. 22d 1863 to investigate the charges of Drunkenness and inefficiency against J. Affolder Asst Surg. 14th Iowa Vols. As Dr Tilly was indisposed. J. H. Stevens Asst. Surg. 14 Iowa Inft. was invited to sit upon the Board

Dr Affolder having been previously notified was present, and the charges were read to him. to which he pleaded "Not Guilty"

Maj. Langey commanding Detachment of 14 Iowa Regt. at this Post was called as first witness

The Major testified that he had intimately known the accused since Sept. '62 when he first came to the Regt. as Asst. Surg. having in fact messed together a considerable portion of the time. and their tents were in close proximity. The Commission bore date Oct. 2d 1862. The Major had been with the Regt. with the exception of four months. Leave

never seen or known of the Doctor's being under the influence of liquor except on one occasion and then he was but slightly intoxicated. The occasion alluded to was at a convivial party given one afternoon about two months since by an Officer of the Regiment about to leave. The Doctor was not so far intoxicated as to be unfit for duty. Was only cheerful and talkative while they were riding. She could not be intemperate without my knowing it. He is not a regular drinker. Think the occasion excused the above deviation. Am well satisfied with the manner in which he has conducted the Medical affairs of the Regiment and think he has discharged his duties with promptness and skill. Think I am justified in the opinion by the fact that the health and condition of the Regt. while under his charge have been good. His demeanor is kind and accommodating to the men of the command by whom he is universally liked: and he answers all calls promptly. He has been the only Medical Officer with us and is always on hand when wanted. Do not know how these charges originated but suspect they came from an Officer who has been but very little with the command since the Doctor's connection with it. and who was prejudiced against him on account of personal matters
The Doctor has the entire confidence of every Officer who has been with the

Regiment and has had an opportunity to know him

Capt Hanson Co. D. 4th Mo. Cav. was called. The Capt. has intimately known the Doctor ever since the connection of the latter with the Regt. Has never at any time known the Doctor to be intoxicated. Is not a habitual drinker Is well liked by Officers and men and gives entire satisfaction to all. The Captains testimony strongly corroborates that of Maj. Langhi

Capt. Groffman Co. G called His testimony was to the same effect as that already given and substantiates the above

Lt. Becker Co. F and acting Adjt called. Has known Dr. Calder ten months intimately. Has slept in the same tent with the Doctor for three months. Their tents have since been adjoining, and they have messed together all the time. Has never seen or known him intoxicated. So far as he is able to learn, the Doctor has given entire satisfaction to Officers and Men in his professional duties. His testimony coincides with that already given

The Board has concluded that it was unnecessary to call more witnesses, and thereupon proceeded to the Regimental Hospital of the 4th Mo. for a personal inspection of the Hospital and Medical records of said Regiment

The Hospital was found in a frame house near the Regiment with a capacity for about twelve patients and presented a tolerable degree of cleanliness and order The patients, ten in number, were for the most part doing well and appeared contented and cheerful. The Board examined particularly two cases. one a fracture of the tibia and fibula two inches above the ankle joint, the second a fracture of the left femur in the middle third. Both had been treated by Dr Affolder with excellent results union having been effected in both cases with no deformity. There was shortening in the latter case of from one half to three fourths of an inch

The Medical records were not well kept. The Steward was absent with a detachment of the Regt. at Jamison City Tenn, and as the Doctor employed his clerks all the labor devolved upon him who as before stated was the only Medical Officer belonging to the Regt. He likewise labored under the additional disadvantage of having but a limited knowledge of English

The provision account of the Hospital had been so managed that no fund whatever existed

Opinion of the Board

The undersigned are of opinion that the charges of Drunkenness and inefficiency against Asst Surgn J. H. Affolder 44th Ind Vols are not sustained

The evidence shows that never during his connection with the service has he but in a single instance been intoxicated, and then but slightly. His encouragement of the efficient in his Department is with the exception of the records and Hospital Fund Satisfactorily and efficient

From facts which have come to our knowledge we think it probable that the charges originated from personal motives, and by ignorance of each Surgeon's character, and faithfulness, and were presented in oral and written communications to Medical Inspector Weed Allen in such a manner as to necessitate the present investigation.

DATE: March 4th 64
RENDEZVOUS: St Louis

W. O. Dyer
Inspecting Surgeon.

Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred or disease originated or appeared: the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for pension, *special* care must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will aid, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1555 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced: and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, Grand, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the higher authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on the paper, and that the soldier is furnished with the proper discharge as in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

of 47

George Albert

4th Co. Regt of Cavalry Missouri

VOLUNTEERS.

Dec 2 Lieut 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a ful, statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

OF

Jacob Amsler Bugler of Co H

4th Regt of Cavalry Missouri

VOLUNTEERS.

Died Oct 24 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the last served should be given on the back.

NOTE 2.—An enlistment holds to service. A re-enlistment will avail, in all cases, to bind in the Adjutant General's Office as evidence of re-enlistment. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will accordingly look enlistments on having mustered the soldier into the service of the United States before orders of them is given to the discharging officer.

VOLUNTEER ENLISTMENT.

STATE OF Missouri TOWN OF St Louis

I, Peter Antmann born in Germany
in the State of Prussia aged twenty five years,
and by occupation a farmer Do HEREBY ACKNOWLEDGE to have
volunteered this thirty first day of March 1864,
to serve as a **Soldier** in the **Army of the United States of America**, for the
period of *THREE YEARS*, unless sooner discharged by proper authority: Do also
agree to accept such bounty, pay, rations, and clothing, as are, or may be, estab-
lished by law for volunteers. And I, Peter Antmann do
solemnly swear, that I will bear true faith and allegiance to the ***United States***
of America, and that I will serve them honestly and faithfully against all their
enemies or opposers whomsoever; and that I will observe and obey the orders of
the President of the United States, and the orders of the officers appointed over
me, according to the Rules and Articles of War.

Sworn and subscribed to, at Camp Jefferson Barracks
this 31st day of March 1864, } Peter Antmann
Before Edward Langer Major

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and mental infirmity, which would in any way disqualify him from performing the duties of a soldier

EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, ... previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has grey eyes, light hair, light complexion, is 5 feet 9½ inches high.

FINAL STATEMENT

11

OF

Peter Autmann

4th Regt of Cavalry Mo

VOLUNTEERS.

Died June 14 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will cover all the data necessary for full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are posted by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

OF

Charles Arentz

4th Reg't of Cavalry Virginia

VOLUNTEERS.

Died Sept 3 1864

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the fact of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a ful. statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate; in all cases—one to accompany the recruiting return of the appointed rendezvous (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service: A muster-in roll must be made, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in; and no enlistment is binding unless the soldier into the service of the United States before either of them is given to the disbursing officer.

The mustering officer, commissary, or mustering commissary of muster, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Medical Certificate

Casper Becker, a private of Comp. D. 2d Mo. Cav. Vol. having applied for a certificate on which to ground an application for leave of absence

I do hereby certify that I have carefully examined said private and find that he is suffering from the results of a gunshot wound received at Independence near Lexington June 29th 1863 while in action the ball entered between 3d dorsal Vertebrae and right Scapula and departed beneath left Clavicula near Arteria subclavia; having partially destroyed Clavicala portion of musculus deltoideus and plexus brachialis for which last cause the right arm is partially paralysed

And in consequence thereof he is in my opinion unfit for duty —— I further declare my belief that he will not be able to perform any duty in a less period than twenty days. — And as the Application of Electricity is necessary to restore the mobility of said arm, I would recommend him for a furlough to prevent permanent disability

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the muster-roll of the organization (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c.. The Regiment and Company in which the soldier last served should be given on the back.

CERTIFICATE OF DISABILITY FOR DISCHARGE.

(To be used, in duplicate, in all cases of discharge on account of disability.)

August Behrendes, private, of Captain Theo. Heiden's Company, (F,) of the 4th M. Cav. formerly Hielen Regiment of United States volunteers, was enlisted by Capt. Alex. Weide, of the 4th Regiment of M.C. formerly Hielen, at Chicago, Illinois on the first day of August, 1861, to serve three years; he was born in Medebach in the State of Prussia, is 32 years of age, 6 feet — inches high, dark complexion, brown eyes, brown hair, and by occupation when enlisted a Laborer. During the last two months said soldier has been unfit for duty 50 days. (Here consult directions on Form 88, p. 388, Medical Dept. Gen. Reg.) 13 327 Hennen

Behrendes was a slight captain stuck in camp last fall at Tipton, but always a good soldier he kept a duty. When the advance came to Lebanon last January Behrendes was detailed on an outlying picket as we have so many night underwent & exposure a rebel Capt. & 17 Ors cold, dark, chilling nights his horse fell with him twice & produced a great immunity of the system since which he has been quite unfit for any known whether it is a permanent disability or not. T. Heiden Captain.

See Outside

I CERTIFY, that I have carefully examined the said August Behrendes of Captain Heiden's Company, and find him incapable of performing the duties of a soldier because of (Here consult par. 1131, p. 316, and directions on Form 72, p. 360, Med. Dept. Gen. Reg.) Inguinal Hernia of the left side - it first made its appearance at Tipton in October last while in the service. but giving but little trouble, he continued to do duty until January last when being thrown from his horse it became so much worse as to entirely unfit him for service - the degree of disability in reference to a pension would be probably one half. To Brig General Thomas
Adjutant General United States Army

General.

I would request to present you with the following Statement of facts.

On the 17th day of August last I was mustered in as First Lieutenant of Company "F" of the regiment of Cavalry known as the Fremont Hussars, commanded by Major, now Colonel Wasing.

The Company, Captain Wade commanding, was mustered in at Chicago Ills. by Captain Webb U.S.A. and was subsequently ordered to St. Louis to join the regiment.

The muster in Rolls will show that I was duly mustered in and sworn, that the Company was full and complete in numbers, and that the laws and regulations were, in all respects, complied with.

On the 26th day of September, Major Wasing the commander of the regiment, under pretense that Major General J. C. Fremont had never ordered him to receive me as Lieutenant in his regiment assumed upon himself authority to dismiss me from the service, although I never had before, and never have since, tendered my resignation.

As I do not acknowledge any authority in Major Wasing to dismiss an officer who was elected by his company, mustered and sworn in and has been on active duty for several weeks as in fact I do not believe that Major Wasing has any more

power to dismiss me from service than I have power to dismiss him, a point which moreover has been satisfactorily decided by the Secretary of war in the case of Colonel Hecker, who had assumed authority to dismiss several Officers of his regiment and who upon application were reinstated by the Department. I request that I may likewise be reinstated to my rank and command and ordered by you to report myself to my regiment now in Camp near Rolla for duty.

I also ask that all action taken by Major Waring in the case may be annulled and that I be, as I am of right, declared to be entitled to my pay and allowances as First Lieutenant of Cavalry since the day of my being mustered in, the same or any part thereof never having been received by me.

A duplicate copy of this Statement has this day, been sent by me to Major General Halleck, commanding Department of the Missouri.

I am General, respectfully your obedient Servt.

Captain J. C. Kelton
Ass.t Ad.t Genral

Captain!

Lieutenant Byers, whose statement I enclose, I received this morning with direction to report thereon, came with his Company to this Regiment at Camp Halleck, near St. Louis.

About the middle of September this Captain reported to me that he had gone to the City without permission, and had returned so intoxicated that he fell from his horse in the presence of his men, thereby rendering himself ridiculous among them. I immediately ordered his arrest and preferred charges against him for "Conduct unbecoming an Officer and a Gentleman." A Copy of these charges I handed to Major Colton in person, and it is my very decided impression that he transmitted them to Major Curtis, then Judge Advocate; since

then I have ever heard from them.

While still under arrest for drunkenness, Lt. Byron came to me, in an extremely intoxicated condition, and asked permission to go to St Louis. I explained that, as he had never been ordered by the commanding General to report to me & had my other Officers, I was at a loss what course to pursue toward him, but that so far as I was concerned, he had full permission to go to St. Louis or anywhere else, if he would only keep away from this Company. He thanked me and left. Since that time I have not seen, nor have I directly heard of, him, until the receipt of his statement; I am, however, informed by members of his Company that he has been serving in an other Regiment (Stewarts) as Lieutenant.

I beg to observe that during the short time that Lt Byron was with the Regiment he never performed the least service — except to act occasionally and very inefficiently as Officer of the day, and that his habitual inebriation did so much harm to the man, and was such a disgrace to the Regiment,

that in my opinion the good of the Service required me to allow him to leave as he requested.

I never dismissed him from the service — I understood that he voluntarily deserted it to rejoin in another Regiment.

Very Respectfully

Your obedient Servant

Cavalry

Discharged this 22d day of April, 1864,

at Camp Fisher near Memphis Tenn

Capt Lehmuth

Commanding the Company L, 4th Mo Cavalry

Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ½, ¼, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward them prompt to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the final certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ½, ¼, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1240 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charges and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to the division commander, or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

I have the honor to state that some mistake must exist in the Rolls of your office, or in the Report, in relation to the alleged desertion of Frank Birkenholz from Co "G" 4th Mo Cavalry at Helena May 25th 1862.

According to my recollection & other information, Helena was not in possession of our Forces, as early as May 1862, & was in fact taken possession of by them about the 18th or 20th of June 1862. Will you please examine, & see if there is an error & how same arises. Please return enclosed Papers.

Lieut. E. Schorbach.'
Regtl. Commissary 4th Cav. Mo. Vol.

I would hereby most respectfully ask to forward this my application for a furlough of 20 days to go to St. Louis, Mo. for the following reasons:

I have an old father, who is very sick & wants to see me badly. I have been in service now about 18 months and never had any furlough yet and always conducted myself to the satisfaction of my superior officers, which all of them will testify.

As I have been attached to the Regtl. Commissary these last 8 months, I think it the proper way to make this application to you, especially as my Company is on detached service at Clinton, Ky.

I have the honor to remain
your most obedient servant
